

## PRESTRETCH HAND FILM

- Strength and cling of blown film in an easy-to-use ergonomic light weight roll.
- Prestretch promotes more consistent, optimized film usage and reduces user fatigue.
- High containment at thin gauges results in less plastic in the environment.
- Reduced worker fatigue ensures pallets are wrapped the same throughout shift. Walk forward application is safer than conventional film application.
- Damage proof rolls.
- Extended core for easy application, no applicator necessary!
- Applications include: cold environments, distribution and grocery warehouse, internal wrapping, boxed products, food processors, hand wrap applications, all load profiles, and bagged products.
- 100% Recyclable.
